

Collegians Supporters Trust Fund

Sponsorship and funding of club rugby is an important catalyst in the success of any amateur club to compete at the highest level. Club Chairmen and Committee members often have to dip into their own pockets to fund the club. This is not a healthy situation and something we are trying hard to rectify as neither this model nor the sponsorship model is sustainable. To get commitment from members to give of their personal time away from the office and families is not easy but when they have to fund the running of the club out of personal funds, the situation becomes increasingly more difficult.

We are very grateful for the grants received from the KZNRU but without additional funding this club will not survive at the highest level. There are many ways of obtaining funds namely, corporate sponsors, equipment sponsors, kit sponsors, cash sponsors, sale of advertising, membership subscriptions etc. Another area that would be extremely beneficial would be for companies to be able to offer employment to players.

In light of the above, we have started a Supporters Trust. This would help subsidising the shortfall in sponsorships. This trust will rely on pledges from members and companies alike. Members will share in this venture through incentives from investing and quarterly draws at the club.

Types of Membership:

CORPORATE R1000 pm

- 3 Nominated employees membership of the club
- Rights to advertise on the website
- Free Ad in match day programme
